

Bouquet Garni

The catering and the overall management of your wedding day is run by Bouquet Garni. They have an excellent reputation and offer a wide variety of delicious menus. Whether you are after a formal meal, a less formal sharing platter or a summer barbeque they are happy to work with you to create just what you want.

At an initial meeting, you will meet them to discuss your menu, and help work out the running of your day from start to finish. They will cover details like table layouts, linen requirements and timings. On your wedding day a dedicated manager from Bouquet Garni will be there beforehand, working with your suppliers and throughout the day to ensure everything runs smoothly.

This is just an outline selection of Bouquet Garni's menus, 2023 pricing.
