

## Ceremony

### Things you might like to know

We are delighted you have booked Layer Marney Tower for your wedding ceremony. If there is anything you want to ask us, please ring. It helps us to make sure that things run smoothly if you keep us informed of your plans. If you are having a Church Blessing at Layer Marney Church, please let us know. Car parking becomes an issue and we need to plan arrivals and departures so the cars do not get caught up in other events.

You are welcome to come over and look at the Corsellis Room before the day, but please could you let us know in **advance** when you are coming, as it causes great embarrassment if another event is going on at the same time. Below are some answers to questions we are frequently asked.

### Access & Timing

The Corsellis Room is open one hour before your ceremony starts. Our Supervisor is on hand to welcome guests and to make sure everything runs smoothly. Please arrive **on time** as the Registrars may have other weddings to attend at a different venue. You must keep within the times to avoid any difficulties with subsequent events.

### Photographer

When making arrangements with your photographer, please make sure that they know they must **finish** at the end of your hour.

### Flowers & Decorations

Flower arrangements may be brought in, but must be taken away after the ceremony. Please take care not to mark the table top with the flower arrangements.

Our wedding Supervisor has the right to remove anything that represents a fire hazard.

### Music

Our wedding Supervisor is on hand to play your music. If you are using CD's, please list clearly the order of play with the track number and title. You may also provide a Spotify playlist in advance by email.

### Absolute No-No's

Please do not throw confetti.

Please no candles to be placed in the Corsellis Room, other than in arrangement for the top table.

The swimming pool area is out of bounds.

*Thank you for your co-operation.*
